Dear Mr. Zore:

Your leadership and generosity in supporting the Second Annual Long Island *Walk with Us to Cure Lupus* are very much appreciated. It was a highly successful event; and with your help, we exceeded our fundraising goal by raising more than \$200,000. Everyone had a great time, incredible lupus awareness was generated; and even more importantly, vital funds were raised for lupus research.

This is an enormous accomplishment for a second-time Walk. Congratulations! Your efforts allow the Alliance for Lupus Research to make real inroads into understanding lupus more fully, which will in the short term lead to prevention, treatments, and ultimately, a cure.

A small token of our appreciation is enclosed for all your fundraising efforts. In a few months, the Alliance for Lupus Research will send you information about the Third Annual Long Island Walk, which will take place in spring 2006 at Eisenhower Park. In the meantime, visit the Alliance for Lupus Research website at www.lupusresearch.org for updates on our mission to find a cure.

I look forward to working with you in 2006. Together, I know we can find a cure!

Sincerely,

Robert Wood Johnson IV
National Walk Chairman
